Any Tenant who has not vacated the premises by the end of the Lease is subject to the following fees: \$20 per hour up to \$200 on the first day, and \$200 per day thereafter. In addition, the Tenant shall be liable to the Landlord for the Landlord's reasonable costs and attorneys' fees if it is necessary to commence legal proceedings to remove the Tenant from the apartment, and as a result of any third party claim against the Landlord for failure to deliver the unit in a timely fashion.

Normal wear and tear is exempt from repair cost. The rates listed are used to calculate any repair/replacement cost only if required. Any portion up to the full amount stated per item may be charged based on the evaluation of the Landlord's agent. You are required to fill out and return Move-In Inspection form issued upon arrival to note the condition of your apartment when you take possession.

Ithaca Renting Company returns the unused portion of damage deposits by mail within fourteen days after the Lease end date or the last occupant vacates, whichever is later. Payment is in the form of a check payable to the Tenant. Checks cannot be issued to parents or other third parties. Refunds are made by check only.

24. SUBLETS AND ASSIGNMENTS:

- a. Subject to the Landlord's written consent, a tenant may sublet the Tenant's right to occupy the apartment. A sublet may be for any period of time less than the remaining term of the Lease. A sublet occurs when a Tenant transfers to a third party (the "Subtenant") the Tenant's rights to occupy the apartment for a specified period of time, with the agreement that at the end of the sublet the Tenant reserves the right to reoccupy the apartment.
- b. In the case of a sublet, the Tenant remains obligated to the Landlord under the Lease and the Subtenant becomes obligated to the Tenant. The original Tenant remains liable for payment of rent and other obligations under the lease, including liability for any damages to the apartment, even if caused by the Subtenant. All lease rules apply to the Subtenant.
- c. A Lease assignment occurs when a Tenant transfers all of the Tenant's rights to occupy the apartment to a third party (the "Assignee") for the entire Lease term. In an assignment the Tenant reserves no right to reoccupy the apartment. In the case of a Lease assignment, the Assignee becomes obligated to the Landlord under the Lease in place of the Tenant. Payments received prior to the completed assignment shall be credited to the Assignee.
- d. It is the responsibility of the Tenant to find their own Subtenant or Assignee, and to negotiate all lease terms and payments.
- e. The Landlord will not unreasonably withhold consent to a Tenant's request for a Lease assignment or a sublet. The Landlord will consent to a Tenant's request for a Lease assignment or sublet if all of the following are met:
 1. The Tenant submits a completed request form to Ithaca Renting Company. A Sublet Consent Request Form or a Lease Assignment Request Form is available at Ithaca Renting Company, 119 Dryden Road, Ithaca, NY, 14850 or at www.ithacarenting.com;
 2. A copy of the completed request form, having the original signatures of the Tenant and the Assignee or the Subtenant must be delivered to Ithaca Renting Company. Ithaca Renting Company will not accept fax copies of the form;
 3. In the case of an apartment having more than one Tenant, all of the remaining Tenants consent in writing to the Lease assignment or the sublet and the written consent(s) are submitted to the Landlord;
 4. The proposed Assignee or proposed Subtenant has not been in the past a troublesome tenant to the Landlord or to any other Landlord for which Ithaca Renting Company acts as agent; and
 5. The proposed Assignee or proposed Subtenant is a Cornell student.
 6. The sublet is for a full semester or summer (minimum one month). Graduation Weekend, AirBnB, VBRO or other short term housing is not acceptable.
- f. The Tenant agrees that the above list of conditions is reasonable.
- g. It is the responsibility of the Tenant seeking to sublet or assign the Lease to obtain the written consent of all other Tenants in the apartment.
- h. Landlord will not enter the apartment to assist in showings for prospective Subtenants or Assignees.
- i. There is a \$25.00 fee payable to the Landlord for each Lease assignment request.

25. RENEWAL LEASES: The Tenants have no right to extend their occupancy of the apartment beyond the end date of the Lease term, unless the Landlord shall agree in writing to a renewal Lease for the apartment. The following rules apply to a renewal Lease:

- a. A Lease is considered a renewal Lease, even if some or all of the Tenants named on the previous Lease will not continue to be Tenants under the renewal Lease.

- b. Tenants on a renewal Lease receive the benefit of a discounted rate over the market rental price that otherwise would have applied to a new Lease for the apartment. Also the Tenants on a renewal Lease have the advantage of not being required to vacate the apartment for any time over the summer months.
- c. Tenants on a renewal Lease, who were also Tenants on the previous Lease, need to pay an additional damage deposit if their current Damage Deposit amount is less than the amount required for their new Lease. If there are any New Tenant(s) on a renewal Lease, the New Tenant(s) will pay a damage deposit, and the damage deposit of the previous Tenant(s) will be returned to the those Tenant(s), who shall not be Tenant(s) on the renewal Lease, as required by the previous Lease.
- d. On a renewal Lease the apartment will be delivered to the Tenant(s) in whatever condition the previous Tenant(s) may have left it.
- e. Cleaning, painting, steam-cleaning, vacuuming, dusting, or other general cleaning services will not be performed by the Landlord at the start of a renewal Lease. The Tenants, if they wish such cleaning services at the beginning of a renewal Lease, should hire professional cleaners for the apartment. The expense of any cleaning is the responsibility of the Tenants on the renewal Lease.
- f. If a new Tenant is entering into a renewal Lease, the Landlord will inspect the apartment for obvious damages on or about the end date of the previous Lease. There is no inspection performed, however, if there will be no new Tenant(s) on a renewal Lease.
- g. Any new Tenant named on a renewal Lease is required to complete a written Move-In Inspection form and submit same to the Landlord within 5 days of moving into the apartment. This form is available at the Ithaca Renting Company Office at 119 Dryden Road. Noting any damage to the apartment will protect the new Tenant(s) from liability for pre-existing damages in the apartment. Neglecting to note damage to the apartment at the time of the move-in by the new Tenant(s) may cause the repair cost for previous damage to be charged to all Tenants named on the renewal Lease, even if the new Tenant arrived after the damage occurred.
- h. Any repairs noted on the Move-In Inspection form will be performed by the Landlord as a regular maintenance request item
- i. Charges to the new Tenant(s) may be assessed according to the Flat Rate Damages Charges referred to by and incorporated into the Lease. The new Tenant has reviewed those charges and agrees they are reasonable..
- j. Internet Service as offered through Ithaca Renting Company (see Section 9) is not automatically renewed. The Tenant(s) must subscribe and pay the required fee if the Tenant(s) want this service with a renewal Lease.
- k. Tenants upon move out on a renewal Lease must return the full set of issued apartment keys to the Landlord in order to prevent a lock change fee charged to their damage deposit.
